

**THE DIFFERENCE** between  
a real thing and an imi-  
tation of it is illustrated by the  
difference between **Budweiser** beer and beers  
that seek to resemble **Budweiser**.

The nearest to the original that imitators  
ever came was to copy the label on the outside—as close as  
the law would let 'em.

But they couldn't copy the contents. Nor can they.

The contents is Budweiser.

Budweiser's protection has been in the safe keeping of popular preference for thirty years  
a preference based on quality and purity, certified by the honest brew of honest beer.

And that's a hard thing to beat—though they've tried  
mighty hard, some of them; mighty hard.

#### Automobile Prosperity.

The automobile habit which the  
average Kansas farmer has con-  
tracted, and which has done faith-  
ful service—lo, these many moons  
—as evidence of agricultural pros-  
perity, is now explained with lit-  
tle or no reference to the prosper-  
ity question. The explanation  
comes in the form of a news item  
from Kansas City, Mo., which  
states that "the bankers of Kansas  
City have agreed to lend no money  
to anyone who intends to use the  
cash for the purchase of a motor  
car. This boycott is brought  
about, the bankers say, by the ex-  
travagance of the country in the  
purchase of automobiles. Thirty-  
two million dollars were invested  
in motor cars in the last year in  
Kansas. One million dollars may  
be added to this to keep these cars  
in repair for the same twelve  
months. 'We'll have no more of  
it,' say the cash holders. 'If this  
thing keeps up there's no telling  
what condition the finances of the  
country will be in a year from  
now.' One Kansas City banker  
stated to-day that his safe con-  
tained fifty-two real estate mort-  
gages, the money for which he knew  
went for the purchase of automo-  
biles." It is crops of farm mort-  
gages then, instead of profitable  
produce, that Kansas farmers have  
prospered on! Will the jaunty  
prosperity makers at Washington  
continue to claim credit when  
foreclosures set in?—Chicago Public.

**SCHOOL FUND MORTGAGE SALE.**  
Whereas, J. D. Brewington and Martha  
E. Brewington, his wife, by their cer-  
tain School Fund Mortgage Deed, dated the  
25th day of March, 1908, which said mort-  
gage deed was duly recorded in the office of  
the Recorder of Deeds for Iron County, Mis-  
souri, in Book 38, at page 238 of said book,  
conveyed to Iron County, Missouri, for the  
use and benefit of the Capital School Fund  
of said county (therein more particularly  
described and set forth) the following de-  
scribed real estate, lying and being in Iron  
County, State of Missouri, described as fol-  
lows, to wit:

The southwest quarter of the southeast  
quarter of section 25, township 31, north,  
range four east, except one-half acre  
reserved of the northeast corner of the  
above land; also, the north half of the  
southeast quarter of section 25, township 31,  
north, of range four east, excepting so much  
of said tract of land heretofore deeded by  
James Vaughn and wife to W. N. Davis, by  
deed dated August 30th, 1870; also so much  
of the northwest quarter of the southeast  
quarter as is contained in the following de-  
scription: beginning at a walnut tree six  
inches in diameter, near the mouth of a lane,  
running from thence in a northerly direc-  
tion to the northeast quarter of the south-  
west quarter of section 25, township 31,  
range four east, containing seventy acres,  
more or less; also, the east half of the  
southeast quarter of the southwest quarter  
of section 25, township 31, range four east.  
Which conveyance was made to secure  
the payment of four hundred and twenty-  
five dollars belonging to the Capital School  
Fund of said county, as follows to wit:  
To the Public School Fund of Township  
31, range 4 east, \$100;  
To the Public School Fund of Township  
33, range 4 east, \$200;  
To the Public School Fund of Township  
34, range 4 east, \$25;  
For which said amount the said J. D. Brew-  
ington, as principal, with P. H. Ste-  
venson, W. C. King and Henry King, as se-  
curities, executed their bond for the sum of  
\$425, of even date with said mortgage, bear-

ing interest at the rate of five per cent. per  
annum from date, bearing date the 25th day of  
March, 1908, and payable on the 25th day of  
March, 1909, which said bond has become  
and remains unpaid;

And, whereas, among other things, it is  
provided in said deed of mortgage that if  
default should be made in the payment of  
the principal or interest, or any part thereof,  
at the time when the same should, severally  
become due and payable according to the  
tenor and effect of said bond, that the then  
acting Sheriff of Iron County, Missouri,  
should have power, without suit on said deed  
of mortgage, to proceed and sell said prop-  
erty conveyed and mortgaged in said deed;  
And, whereas, default has been made in  
the payment of said bond in said deed of  
mortgage described, by both principal and  
sureties;

Now, therefore, in accordance with the  
provisions of said deed of mortgage, and in  
obedience to an order of the Honorable  
County Court of Iron County, Missouri,  
made at the August term, 1910, I, John  
L. Marshall, Sheriff of said County of Iron,  
State of Missouri, will, on

Saturday, the 3d day of September, 1910,  
at the east front door of the courthouse, in  
the City of Ironton, Iron County, Missouri,  
between the hours of nine o'clock in the fore-  
noon and five o'clock in the afternoon of that  
day, sell, at public vendue, to the highest  
bidder, for cash in hand, the above de-  
scribed real estate, to satisfy said bond and  
mortgage, and the costs hereon.

**JOHN L. MARSHALL,**  
Sheriff Iron County, Mo.

souri, in Book 37, Page 36, conveyed to the  
undersigned, Trustee, the following de-  
scribed real estate, situated in the County of Iron,

Township thirty-three, (33), north, Range  
four (4) East, of the First Principal Meri-  
dian, in Iron County, Missouri, containing  
three hundred and sixty (360) acres, except  
the right-of-way of the St. Louis, Iron  
Mountain and Southern Railroad, as laid  
through the northwest corner of said land.  
The foregoing described land being reg-  
istered at Ironton, Missouri, as "The Brook  
Farm," which conveyance was made to the  
undersigned in trust, to secure the pay-  
ment of ten (10) certain notes in said deed spec-  
ified; and, whereas, three (3) of said notes
